AEROFLOT IS THE LEADER OF RUSSIA'S AIRLINE INDUSTRY AND THE CURRENT MEMBER OF THE GLOBAL AVIATION ALLIANCE SKYTEAM

The Alliance's total network of routes accounts for over 983 airports in 178 countries. According to the latest data, in 2019 Aeroflot carried 37.2 mln passengers.

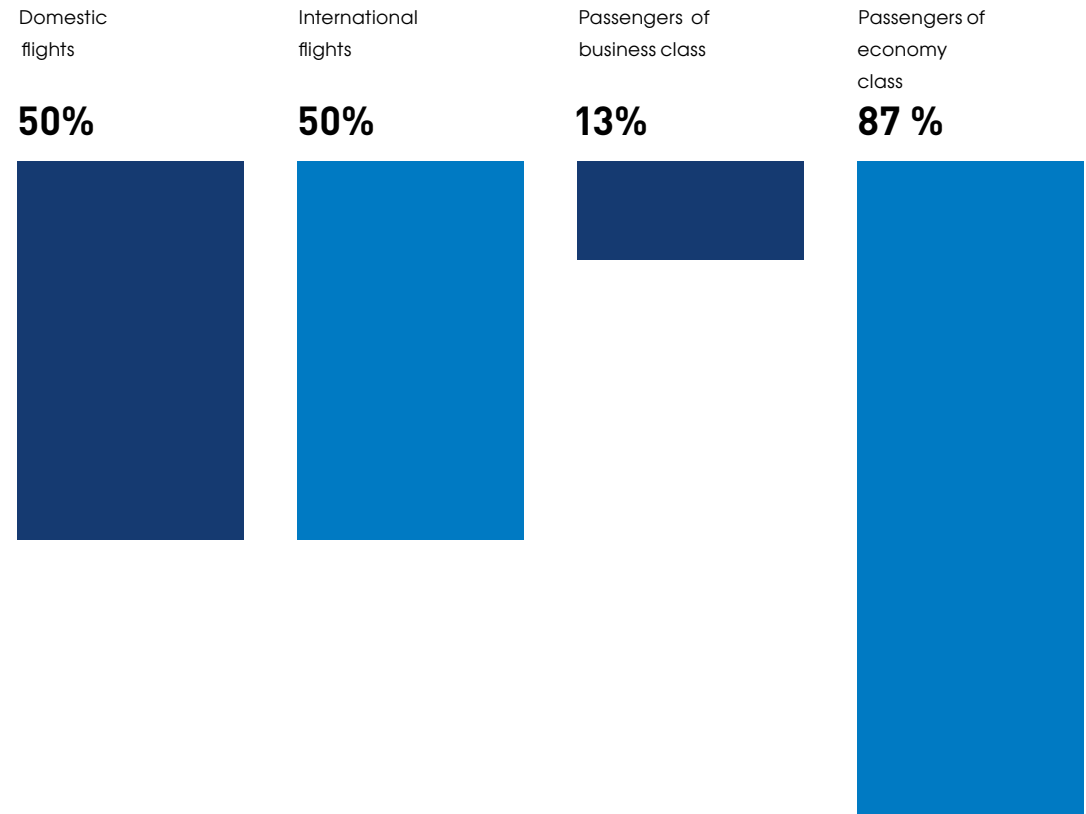

AEROFLOT was among the first the Russian carriers to enter the IOSA operators registry and it maintained the compliance with the certification ever since. Also the airline has successfully passed the ground services safety audit ISAGO and obtained ISO 9001:2008 quality certification.

AEROFLOT entered the prestigious list of ten world's best Travel and Tourism companies published by The Boston Consulting Group, leaving behind many other industry leaders.

According to the research carried out by In Sites Consulting, **AEROFLOT** scored highly by its passengers in the categories such as "Ground services – check in" and "On-board service".

The airline's fleet is one of the most modern and fast-growing in Europe. **AEROFLOT** currently owns 236 planes, majority of which belong to the classes A320, A321, A330 and SSJ-100.

THE PERCENTAGE OF RUSSIANS WHO REGARD AEROFLOT AS "RELIABLE", "SAFE" AND "PRESTIGIOUS" ON:

THE AUDIENCE

BUSINESS CLASS PASSENGERS

S7 Airlines (the brand of Siberian Airlines was founded in 1992 and since then had built the largest in Russia network of domestic routes, operated from 3 major hubs in Moscow (Domodedovo), Novosibirsk (Tolmachevo) and Irkutsk. **S7 Airlines** also operates regular international flights to CIS countries, Europe, Middle East, South-East Asia and the countries of South Pacific region.

S7 Airlines is the member of the Global Aviation Alliance Oneworld, which unites the global leaders in quality passenger service. Oneworld members represent countries on all continents and perform flights to 141 country of the world. Together the members of Oneworld offer their passengers more services and advantages than any single airline. **S7 Airlines** membership in Oneworld once more confirms the airline's conformity with the international standards of quality and safety.

In 2001 S7 joined IATA and in 2007, after the completion of the full IATA Operational Safety Audit, was granted IOSA certificate of compliance.

S7 CUSTOMERS ARE MAINLY YOUNG, SUCCESSFUL AND ACTIVE PEOPLE
